EVERYONE
matters

MORAL PURPOSE / ASPIRATIONAL / TEAMPLAY
TRUSTS / TRANSPARENCY / EXPERT PRESIDENT / SHAR

Our fantastic Year 5 Mathletes have been working hard this term! They have been running assemblies, demonstrating times table rock slams and being super coaches to others. Their next challenge awaits next half term when they will be running interventions with KS1 children. A massive well done to all our Mathletes for being so enthusiastic in their new roles!

Breakfast Club News!

This week we have had a traditional crafting morning at Breakfast Club. We have made Christmas cards, festive lanterns, and sang winter songs.

Come along to our Festive Family Breakfast on **Friday 21st December 2018**. All Welcome!

Focus on Year 5

I am Aliza.
I dream to be that person who saves the lives of the amazing human kind.
I am a Muslim girl who originates from the city of love.
I feel nervous, but excited about the new children I am about to meet.
I like turning pages over and never getting my nose out of an adventure.
I like going up, zooming down, upside down and right way round.
I wish to be the one who holds the plaster ready to be placed.
I will reach this dream by working upwards and not down and I will always keep learning!

During the Autumn term Year 5 have had the fantastic opportunity of being part of Bolton's Linking Schools project.

The project involves 2 schools from different areas connecting via trips, letters and FaceTime. Pikes Lane Primary School have been partnered with St James Church of England school.

At the start of the term the Year 5 classes have written their own 'I am' poems where the children have reflected on what makes them individual and unique.

More recently, all children went on a trip to Bolton Museum to meet their Linking partners.

Once at Bolton Museum children took part in different workshops, such as Mummy wrapping and bug holding, with the children from St James.

In the New Year children will continue to communicate with their partners before going on a trip to their school!

EYFS Nativity

All the EYFS children enjoyed performing 'Whoops-a-Daisy Angel'. The children sang beautifully and made everyone proud. Thank you to all parents who helped with costumes and rehearsals at home.

Key Stage 1 Pantomime Trip

All the children in Key Stage 1 have enjoyed our trip to watch the pantomime 'Snow White and the Seven Dwarfs'.

It was a wonderful experience as a lot of our children have never been to the theatre before.

Thank you to all the parents who were kind enough to help and join us.

Winter Singalongs

Well done to our pupils in Key Stage 1 and 2! This week they performed their concerts based on the theme of 'Winter'.

Pupils transported audiences from the school hall to Narnia where they met an evil witch who had cast a spell to make it always winter and never summer.

Over the course of the musical journey they sang songs, performed in character and explored the difference that kindness can make. Parents stayed afterwards to enjoy refreshments and gave some excellent feedback. A big well done to all of the pupils!
